Proposed Development — Habberley Road, Low Habberley

Our official comment as a statutory consultee voicing strong opposition to this development has now been lodged with the District Council Planning Department, where it can be viewed. We now await their decision.

However, we would like to take this opportunity of thanking local residents for their support in opposition, and for the 500+ comments sent to the District Council, opposing the development. In particular, we would like to thank members of the public for their time given in organising local opposition, especially for local planning research undertaken, and the Stop The Habberley Road Development Facebook campaign and petition raised by Dave and Sara Macdiarmid.

Report on 2020/21 by Retiring Chair—Cllr. Mrs. C. Gammond

"What a year this has been – getting used to holding monthly meetings via Zoom (thanks to Chris Jordan for hosting these meetings for us) and coping with the pandemic restrictions and the effect these have had on carrying out our duties. Our Zoom meetings during the year were well attended by members of the public and proved very successful.

There have been a number of controversial issues – WFDC Local Plan and proposed development on Green Belt land at Low Habberley; Clay Pigeon Shooting at Honeybrook; Concerns regarding changes at Hill Farm Chalet site and at Mary Moors Farm following the sale of the farms; Problems with large numbers of visitors to Trimpey Reservoir causing parking issues as well as litter and antisocial behaviour. This was following the easing of restrictions at the end of the first pandemic lockdown.

All these matters have been regularly discussed and the Parish Council has raised the issues and pursued solutions with relevant authorities wherever possible.

We thank County Cllr Ian Hardiman, and District Cllrs Paul Harrison and John Byng for their regular attendance at meetings and for the work they do on our behalf.

As usual, drainage issues have appeared on each monthly agenda, including Lightmarsh Lane – Hollies Lane – Northwood Lane – Low Habberley. These were reported to the relevant C/C departments for attention and resolution.

We must thank Cllr. Chris Jordan for his efforts, time and determination in pursuing superfast fibre broadband for properties in the northern half of the parish.

Parishioners in Crundalls Lane have also now received fibre broadband.

Road safety/speeding has been a concern and the Parish Council have installed new solar powered VA Signs in Low Habberley and Trimpey. Thanks go to several councillors for their efforts in addressing problems with the one sign. We are still waiting for the requested speed cables to be put down in Low Habberley, and for a final decision from the County Council on the problem of parking at the entrance to Low Habberley Farm.

New safety barriers have now been installed where Crundalls Lane crosses the brook.

During the year several minor road accidents were reported. Our local police continue to report to our monthly meetings.

The Archer brothers were again signed up as our Lengthsmen and we thank them for the work they continue to do, both on drainage of the roads and litter collection. They also keep our rights of way cleared of seasonal undergrowth. Lengthsman training has been an issue during the pandemic and we are still waiting for the C/Council to resolve this.

Fly tipping has continued to blight the parish but, some good news, there was a successful prosecution following a load of rubbish being dumped in Eymore Lane.

Over 30 planning applications were seen during the year, including a considerable number of Certificates of Lawfulness notified for properties on Hill Farm Chalet site.

The Parish Council responded again on the WFDC Local Plan, objecting to the proposal for land at Low Habberley to be taken out of Green Belt. A meeting was held with the developers to learn more about their proposals for development should the Local Plan allow the land to be removed from Green Belt. We are still awaiting the Inspector's Report on this. Local residents have set up a group to oppose any development here.

Our Clerk has obtained various grants which help with the cost of improvements to the Parish. This included the new V A Signs and we have installed a bus shelter at the Eymore Lane junction and propose to add another near Trimpey crossroads and one at Low Habberley. A grant will also help pay for an improvement project at The Black Pools later in the year.

I wish to thank all our Councillors for their time, effort and support in attending meetings and working voluntarily for the good of the Parish.

Finally, a huge thank you to our Clerk, Elsie, who has worked so hard this past year dealing with so many controversial matters during the pandemic, when restrictions effected so many aspects of the job. She has continued with determination and resolve to ensure we, as councillors, carry out the duties expected of us in an appropriate and legal way. The support and help Elsie has given to me during my term as Chairman has been invaluable - Thank you Elsie.

I now wish my successor all the best for the year ahead which, unfortunately, looks to include the continuation of several controversial issues."

Parish Council - Please visit our website : www.kfpc.org.uk

The public are welcome to come along to any Parish Council meeting and speak and/or discuss matters with councillors in the Open Forum at the start of each meeting. Opposite are the dates of the next meetings, which are usually on the 3rd Monday of each calendar month, (unless altered for special reasons) and are held in Trimpey Village Hall.

Please see agenda, posted on the website or noticeboards, for details, as we are now returning to holding these at the village hall, as we now cannot legally hold these by Zoom.

**Next Meetings (starting at 7.30pm) are:
Mon 26th July, 16th Aug, 20th Sept, 18th October**

Your Current Parish Councillors are:

Mr. C. Jordan : (Chair) Tel: 01299 861484

Mrs. C. Gammond : Tel: 01299 402929

Mr. J. Gammond : Tel: 01299 400750

Mr. C. Grainger : Tel: 01299 403231

Mrs. L. Green : Tel: 01562 747180

Mr. C. Holford : Tel: 01299 404678

Mr. B. Phillips : Tel: 01299 861661

Please feel free to contact them (or the Clerk (see overleaf)) on any matters of concern re life in the Parish, or come along to the **Public Open Forum** at the start of every meeting.

15th SEPTEMBER - Catering behind the Scenes by Richard Kendrick. To be held in Village Hall.

20th OCTOBER- Nigel Blay + Guitar - Sing Song Musical Evening. To be held in Village Hall.

Visits

Parish Councillors arranged a visit at **Eymore Wood** to meet with Mark Webb, the newly appointed Finance Director responsible for the management of Arley Estate, and Andrew Bronwin, Managing Director of Bronwin's and Abbey, the company undertaking a Forestry Scheme over the next ten years for Eymore Wood. The planned scheme of planting, felling, and forestry management was discussed with Andrew Bronwin, along with problems of poor Rights of Way signage and bridges and litter problems within the woodland. Mark Webb agreed to be instrumental in arranging works to address the latter two problems.

Councillors also visited Habberley Valley at the end of June to become better informed on the management of the Valley,

Age UK

Looking for a fun activity to keep fit in later years? Why not try Walking Football?

E: referralhub@ageukhw.org.uk www.ageukhw.org.uk “

Trimpley Church

“It was wonderful to have our little church open for a Holy Communion Service conducted by Rev Hayward Osborne.

The Plant Stall at the beginning of June provided a happy community gathering, as well as a wonderful selection of plants for sale and yielded a very healthy profit of over £680 which will contribute to the general running of the church.

The thought provoking and inspirational Pentecost goody bags were delivered within the community.

Kath and Richard Sandland have left us to start their new life in Bromsgrove but not before a Surprise Tea Party was held for them at the Guildings. They were presented with a cheque and a memory book from appreciative parishioners.”
